

# 151M-6/4-M5

HAFNER

(HU) Hollanderes egyenes csatlakozó

## Technische Daten

|                                |                          |
|--------------------------------|--------------------------|
| Medium                         | Druckluft, Flüssigkeiten |
| Arbeitsdruck                   | 0...25 bar               |
| Kivitel                        | menetes                  |
| Druckbereich                   | 0...25 bar               |
| Material                       | Messing vernickelt       |
| Anschlussgröße / Schnittstelle | M5                       |
| Material Dichtungen            | Ohne Dichtung            |
| Für Schlauchdurchmesser        | Ø6/4                     |
| Temperaturbereich              | -40°C...+120°C           |
| Anschlussgröße   A             | Ø6                       |
| Anschlussgröße   B             | Ø4                       |
